

DIRECTIONS FOR VISITORS:

After you turn from Egypt Road onto Cider Mill Road take the second right to SEI's main driveway. Continue past the parking garage on your right and there will be visitor parking spaces. The main entrance is immediately after the visitor parking section. There are additional visitor parking spaces past the main entrance. If by chance both sections are full, you are welcome to park in a garage or any other legally designated parking area.

Come in through the main entrance of the Rotunda, Building 100. Register at the kiosk for a visitor badge.

If the front doors are locked, you can use the callbox located to the right of the door.
