Final 2024 capital gains distributions

The final long-term and short-term capital gain distributions for 2024 are listed below.

The funds' long-term approach to investing means that the capital gains realized in a particular year can be the result of an investment held over an extended period of time. The amount of capital gain distributions may vary year over year since the distributions are based on net capital gains realized each year.

Final 2024 year-end capital gains distributions (based on activity through December 31, 2024)

Important information

Information as of 12/31/24.

Mutual fund capital gain distributions are required to meet excise tax distribution requirements. The Funds' excise tax year-end is October 31, 2024 and SEI will generally make certain tax adjustments on the Funds' excise tax returns that may have an impact on these estimates.

They do not constitute tax advice and should not be relied upon for tax planning or for making investment decisions. SEI is not responsible for actions undertaken by shareholders based on these estimates.

****There are risks involved with investing, including loss of principal. To determine if the Funds are an appropriate investment for you, carefully consider the investment objectives, risk factors and charges and expenses before investing. This and other information can be found in the Funds' full and if available summary prospectuses, which may be obtained by calling 1-800-DIAL-SEI. Read it carefully before investing. ****

SEI Investments Management Corporation (SIMC) is the adviser to the Funds, which are distributed by SEI Investments Distribution Co (SIDCO). SIMC and SIDCO, are wholly owned subsidiaries of SEI Investments Company.
